Mini Music Man Camp (Ages 3-5)

June 1 to 5; 9:00am 12:00pm

In this camp, our youngest thespians will prepare a mini show for the last day of class that will be themed around the Summer Main Stage musical "The Music Man" by Meredith Wilson. The children will get a chance to meet cast & crew member as well as directors from the production. The children will learn about the costumes, props & set design used in the production. They will create a mini-rendition of a musical number from the production using choreography featured in the Main Stage production. The focus of this class is not on performance, but rather the imaginative play that this age group learns so much from. Theatre games, dress-up, craft time, guest presentations, & snack will make up the majority of this camp. All the while, each day there will be time designated for rehearsal.

Please make sure to register for this camp before Friday, May 29th.

****Please be sure to update the quantity with the total number of students you are registering****
